MAILER LABEL

EASILY REMOVE OLD LABELS USING OUR PATENT PENDING LABEL REMOVAL SYSTEM.

How does it work? Simply place our label on designated area, then affix UPS, Fedex or USPS shipping labels on top. Or print your shipping information directly on our label. The recipient of the package can then peel off all labels by pulling where indicated on our removal label.

We found the perfect combination of tackiness and removability, our labels can always be removed and will NOT leave any residue behind.
